global view of the fundamental legal issues raised by the advent of the internet as a global communications mechanism it includes legal and other materials which support the discussion of how technological economic and political factors are shaping the law governing the internet

the fifth edition of lunney and oliphant s market leading tort law text provides a complete authoritative guide to the subject the book combines clear overviews of the law with well chosen extracts from cases and materials supported by insightful commentary

beatson matthews elliot s administrative law combines extracts from key cases articles and other sources with detailed commentary aimed at undergraduates studying administrative law it provides comprehensive coverage of the subject

the essays collected here under the governing signs law text terror have their origins in a singular and topical desire their motive is most immediately that of acknowledging the massive and eccentric contribution of the philologist psychoanalyst and romanist jurist pierre legendre to the study of legal institutions and juridical practices he has unceasingly asked the question why law

and in endeavouring to answer that question in the course of over twenty five books published during the last forty years he has traversed a unique and uniquely idiosyncratic body of disciplines and knowledges relevant to the symbolic forms and institutional functions of the western legal order these essays reflect that singularity of drive as well as that diversity of scholarly interests by taking up playing with varying and developing the themes of text and terror law and territory that legendre either introduced or made peculiarly his own

ian ward places contemporary political and jurisprudential responses to terrorism within a broader literary cultural and historical context

how do immigration and refugee laws work in action in russia this book offers a complex empirical and nuanced understanding

explores the legal foundations of contemporary politics and morality revealing how commitment to democratic principles has implications for law in all its manifestations academic professional and political

european integration has been most successful at a legal level and european influences have left an indelible mark on english public law these influences must be understood by students and practitioners if they are to understand our public law and its continuing development this new book aims to cover the debate surrounding the influence of community law on the public law of the united kingdom in a thematic and analytical manner

an examination of the emergence of the legal regime in the united kingdom addressing refugees and asylum seekers

by exploring different approaches to the study of labour law this book re evaluates how it is conceived analysed and criticized in current legislation and policy in particular it assesses whether so called old ways of thinking about the subject such as the idea of the labour constitution developed by hugo sinzheimer in the early years of the weimar republic and the principle of collective laissez faire elaborated by otto kahn freund in the 1950s are in fact outdated it asks whether and how these ideas could be abstracted from the political economic and social contexts within which they were developed so that they might still usefully be applied to the study of labour law dukes argues that the labour constitution can provide an enduring idea of labour law and an alternative to modern arguments which favour reorienting labour law to align more closely with the functioning of labour markets unlike the law of the labour market the labour constitution highlights the inherently political nature of labour laws and institutions as well as their economic functions it constructs a framework for analysing labour laws labour markets and institutions to allow scholars to critique the current policy climate and in light of the ongoing expansion of the global labour market assess the impact of the narrowing and disappearance of

spaces for democratic deliberation and democratic decision making on workers rights
