- 6 Strengthen Science Knowledge Life science Understand the basics of plants animals and the human body Earth and space science Learn about the Earths systems

weather and space Physical science Explore concepts related to matter energy and forces  
 Scientific inquiry Practice using the scientific method to investigate questions 7 Manage Test  
 Anxiety Practice relaxation techniques Deep breathing exercises meditation or listening to  
 calming music can help reduce stress Positive selftalk Encourage yourself with positive  
 affirmations and remind yourself of your strengths Visualize success Imagine yourself calmly  
 and confidently taking the test Get enough sleep A wellrested mind is better able to handle  
 stress Eat a healthy breakfast Fuel your body and brain with nutritious food 8 Seek Support  
 and Resources Talk to your teacher Ask for help with specific topics or areas you find  
 challenging Join a study group Collaborating with peers can be a great way to learn and  
 practice Utilize online resources There are many free and paid online resources available to  
 help prepare for the STAAR test Consider tutoring If needed seek out professional tutoring  
 to get personalized support 9 Celebrate Progress and Effort Recognize and reward effort  
 Acknowledge your childs hard work and progress even if the results arent perfect Focus on  
 learning Emphasize that the STAAR test is just one snapshot of their learning journey 5  
 Promote a growth mindset Encourage your child to view challenges as opportunities for  
 growth and learning Remember the journey to success is a collaborative effort By working  
 together parents teachers and students can create a positive and supportive environment  
 where learning thrives and confidence flourishes The countdown to STAAR may be  
 nervewracking but with the right preparation and mindset students can conquer the test and  
 celebrate their achievements
