this serious compact survey of the war's history stands out as the most well informed accessible work available  
los angeles times nearly a century has passed since the outbreak of world war i yet as military historian hew strachan winner of the 2016 pritzker literature award argues in this brilliant and authoritative new book the legacy of the war to end all wars is with us still the first world war was a truly global conflict from the start with many of the most decisive battles fought in or directly affecting the balkans africa and the ottoman empire even more than world war ii the first world war continues to shape the politics and international relations of our world especially in hot spots like the middle east and the balkans strachan has done a masterful job of

reexamining the causes the major campaigns and the consequences of the first world war compressing a lifetime of knowledge into a single definitive volume tailored for the general reader written in crisp compelling prose and enlivened with extraordinarily vivid photographs and detailed maps the first world war re creates this world altering conflict both on and off the battlefield the clash of ideologies between the colonial powers at the center of the war the social and economic unrest that swept europe both before and after the military strategies employed with stunning success and tragic failure in the various theaters of war the terms of peace and why it didn't last drawing on material culled from many countries strachan offers a fresh clear sighted perspective on how the war not only redrew the map of the world but also set in motion the most dangerous conflicts of today deeply learned powerfully written and soon to be released with a new introduction that commemorates the hundredth anniversary of the outbreak of the war the first world war remains a landmark of contemporary history

this is the first truly definitive history of the first world war the war that has done most to shape the twentieth century the first generation of its historians had access to only a limited range of sources and their focus was primarily on military events more recent approaches have embraced cultural diplomatic economic and social history in hew strachan's authoritative and readable history these fresh perspectives are incorporated with the military and strategic narrative the result is an account that breaks the bounds of national preoccupations to become both global and comparative to arms the first of three volumes in this magisterial study examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it it provides full and pioneering accounts of the war's finances of the war in africa and of the central powers bid to widen the war outside europe

a century after the great war the experiences of civilians and soldiers in the middle east during those years have faded from memory a land of aching hearts traverses ethnic class and national borders to recover the personal stories of those who endured this cataclysmic event and their profound sense of sacrifices made in vain

this extended study of one of the critical campaigns of world war i sheds light on vital strategic consequences for both sides published during the centennial of the events it considers this book provides a comprehensive examination of one of the most interesting and influential campaigns of world war i a campaign that was the apex of mobile warfare at the time by the late summer of 1915 the russian threat to austria hungary had been eliminated by the central powers that allowed erich von falkenhayn head of the german supreme command to turn his attention to his next strategic target the conquest of serbia which was imperative to opening a land route to the ottoman empire until that task was accomplished matters on the all important western front would have to wait this first major study of the invasion of serbia covers events primarily from the viewpoint of the central powers which played the most pivotal role in the campaign the book considers the impact of factors as diverse as diplomacy command coalition warfare mountain warfare military technology and the harsh environment in which the campaign was conducted readers will come away with an understanding of and appreciation for the importance of the serbian campaign as it affected the outcome of the war and the ultimate destruction of the austro hungarian empire

at war in distant waters investigates the reasons behind great britain's combined military and

naval offensive expeditions outside of Europe during the Great War often regarded as unnecessary sideshows to the conflict waged on the European continent. Patten argues that the various campaigns were necessary adjuncts to the war in Europe and fulfilled an important strategic purpose by protecting British trade where it was most vulnerable since international trade was essential for the island nation's way of life. Great Britain required freedom of the seas to maintain its global trade while the German High Seas Fleet was a serious threat to the British coast, forcing the Royal Navy to concentrate in home waters. The importance of the island empire's global trade made it a valuable target to Germany's various commerce raiders, just as Admiral Tirpitz's risk theory had anticipated.

Thank you totally much for downloading **Hew Strachan The First World War**. Maybe you have knowledge that, people have seen numerous periods for their favorite books in the manner of this Hew Strachan The First World War, but stop happening in harmful downloads. Rather than enjoying a fine eBook subsequent to a cup of coffee in the afternoon, then again they juggled like some harmful virus inside their computer. **Hew Strachan The First World War** is simple in our digital library; an online admission to it is set as public, fittingly you can download it instantly. Our digital library saves in combined countries, allowing you to acquire the most less latency period to download any of our books in the same way as this one. Merely said, the Hew Strachan The First World War is universally compatible, taking into account any devices to read.
