excerpt from a history of ancient sculpture vol 1 fragments of a great artistic past have come down to us now from their original surroundings and wrapped in mystery to our changed modern world for centuries these monuments have lain buried beneath the soil or when visible have too often suffered sadly from neglect sundering from this vast treasure what belongs to the plastic art we find the sculptural monuments widely scattered and often hopelessly isolated so that a feeling of discouragement will sometimes come over one attempting to solve the riddles propounded here it is that the archaeologist comes to our aid with his new born science which dates hardly farther back than the days of winckelmann and bringing to bear upon his subject the patient labor of the excavator and of the conscientious collector the resources of profound learning and of a comparative spirit and the breadth of a scientific vision which is able to classify and group the sundered fragments he makes the disjointed members more and more parts of an organic

whole following then the guidance of the band of scholars who have so gloriously commenced this task i have attempted in the present work to treat the sculptural monuments of the different nations of antiquity and to build up some semblance of the stately fabric of old many alas are the blocks still lacking to complete the structure of an exhaustive history of ancient sculpture but if we surround the mute monuments existing with the faiths out of which they sprung and pour upon them the light of national custom and thought they will become eloquent witnesses to the art life of those remote ages about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from familiar sketches of sculpture and sculptors vol 1 after writing the above preface and when my book was nearly completed a volume was put into my hands which had i met with it before would have supplied my want this work entitled sculpture and the plastic art is an excellent compendium of works preceded by the author however though beginning with the same general plan as mine has followed it out in so different a manner that i have still thought a publication of my own book might not be useless the subject of sculpture among us americans has been but little studied except by the initiated painting has her thousand votaries and is illustrated and described by a hundred authors while sculpture stands off in moon lit solitudes and like the egyptian isis veils her features from the crowd about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical
