in ancient times the gnostics sought for salvation through personal experiential knowledge of the divine their methods of self reliance and their sublime knowledge profoundly impacted society such that the dominant powers felt threatened and the tradition was forced to disappear from public view now after centuries of obscurity the gnostics have re emerged still carrying their profound message of gnosis knowledge of self and the divine in a simple and elegant way samael aun weor explains the basic methodology for people in today s world to begin to approach the greater mysteries of the gnostics in this basic and practical guide samael aun weor offers a breadth of exercises guiding the reader to discover within themselves a wealth of insight and understanding gnosis after all is greek for knowledge and the seeker is told know thyself and thou shalt know the universe and its gods a great author deduced that the human being needs eight important things in life health and the conservation of life nourishment sleep money and the things money can buy life in the beyond sexual satisfaction the well being of his children and a sense of proper importance we synthesize these eight things into three 1 health 2 money 3 love if you really want to acquire these three things you should study and practice everything that this course teaches you we will show you the path of success samael aun weor includes the lecture how to make light within and the pamphlet marriage divorce and tantra topics include an exercise to control your anger the power of thought mental force concentration of the mind the law of karma favorable circumstances the descent of cosmic vibration prana the names of the tattvas properties of the tattvas money clairvoyance alcoholism meditation and intoxication osmotherapy mental relaxation concentration meditation contemplation the universal mind imagination and will mental action mental epidemics mental hygiene vegetarian diet self observation chatter i s in the five centers matrimony divorce and tantra and more

although the term kundalini is associated with indian mysticism tantra and yoga the word refers to a living element in nature and is symbolized in all religions in judaism and kabbalah it is called shekinah in christianity it is the fire of the pentecost that illuminated the apostles in buddhism it is known by many names such as candali for thousands of years many have wondered at the tales of that mysterious force and the spiritual powers it gives yet the method to awaken it has been hidden misunderstood or sometimes intentionally sabotaged some say it is dangerous or can be awakened accidentally but the kundalini is not a blind or mechanical force it is the divine mother herself the power or energy of divinity in motion she cannot be tricked fooled or accidentally awakened the kundalini can only be developed through purity and love divine power must be earned now like a refreshing spring breeze samael aun weor blows the obscurations and mistaken ideas away and reveals the sacred mysteries of our most ancient and holy science with a firm foundation in scripture and practical knowledge the method to awaken and develop the root energy of life is made clear and accessible to all it is no longer necessary to theorize or debate through the practice of the techniques in this book one can know you will find terrific secrets within this book secrets that never in the history of life were published samael aun weor formerly published in english as kundalini yoga this new edition adds a prologue of four powerful lectures that prepare you to understand the main content the mysteries of the fire by samael aun weor it also adds more than one hundred footnotes to explain important terms and concepts it is richly illustrated and includes a glossary and an index

in this simple and lively book samael aun weor describes his experiences of a wide variety of metaphysical and paranormal phenomena in a question and answer format he responds to the inquiries of people who have experienced events they cannot explain like strange visitors out of body experiences and more discarding the usual pseudo spiritual beliefs and illogical theories samael aun weor answers with lived experiences that anyone can scientifically verify for themselves he introduces the reader to gnosis the practical science of awakening the consciousness by means of which any person can experience the realities that exist beyond the physical senses just as anyone can acquire practical knowledge of gravity or other physical phenomena anyone can acquire knowledge of the physics of other dimensions the only difference is that while physical phenomena are measured with physical senses the parapsychical phenomena that which occurs beyond the range of physical senses require corresponding senses capable of perceiving them those senses are latent in every person one simply needs to know how to activate them by awakening consciousness we acquire the means to have our own gnosis the experience of what is real and true then one does not need to believe or disbelieve one knows because one has experienced the truth

our world needs real change inner change this book shows how you can make it happen when one discovers the real cause of so much misery and bitterness it becomes obvious that something can be done samael aun weor do you want a better world and a better life do you thirst for genuine happiness you can transcend suffering when you know about the underlying cause of the world s pain and problems what consciousness is and how it works how cause and effect create your life the power within us that can cleanse the mind of faults and darkness this book embraces and clarifies the essential wisdom within all the world s religions

and spiritual traditions yet change does not come from belief or theories real change comes from self knowledge gnosis the great rebellion explains how all of the world s problems addiction war pollution starvation crime come from within us by changing ourselves within we change the world around us this is the genuine foundation of every great spiritual tradition in the world by truly becoming better people the world becomes a better place

in this simple and lively book samael aun weor describes his experiences of a wide variety of metaphysical and paranormal phenomena going beyond the usual pseudo spiritual approach this book introduces the reader to gnosis the practical science of awakening the consciousness by means of which any person can experience the realities that exist beyond the physical senses this is an excellent book for young people and for those who are first being introduced to gnosis do you want to know something from the beyond do you want to chat with divine beings face to face it is indispensable to enter into the region of the dead at will to visit the celestial regions to know other worlds of the infinite space outside of the physical body one can give to himself the luxury of invoking beloved relatives who already passed through the doors of death they will concur to our call then we can personally chat with them when out of the physical body we can acquire complete knowledge about the mysteries of death and life out of the physical body we can invoke the angels in order to talk personally with them face to face

spiritual development requires enormous amounts of energy thus those who aspire towards the blossoming of the soul need methods of acquiring and utilizing energy hidden in the runes we can find such methods then through the aeneid we learn how to use that energy the nordic runes are very ancient letters known to contain great spiritual mysteries but their true nature has remained untapped by modern seekers of knowledge each rune represents a circuit of energy in nature by understanding how the runes are present everywhere in nature one learns how to utilize them in daily life to empower the awakening of the consciousness one such method is to use the physical body to emulate a rune in combination with prayer and sacred words by mirroring the runic circuits of nature we become capable of receiving and transforming great amounts of energy yet energy alone is not enough one also needs to know what to do with it for that samael aun weor unveiled the beautiful symbolism of the aeneid one of treasures of classical literature in which we discover many secrets of the spiritual path written by the roman poet virgil between 29 and 19 bc the aeneid is considered the greatest latin masterpiece for more than two thousand years it has remained one of the most studied memorized and analyzed writings yet its true meaning has remained hidden on the surface it tells the story of aeneas and his struggle to establish rome yet in truth the story is like all myths it is an archetypal symbolic representation of the spiritual path like all the great heroes odysseus herakles arjuna samson aeneas represents the soul who seeks to restore its divine inheritance and to do so it must overcome the consequences of its former mistaken actions that is a work of practical action in daily life through which the soul is raised out of suffering this book is a guide to accomplish it

the fundamental education is the science of the consciousness it is the science that allows us to discover our relationship with human beings nature and all things samael aun weor in this amazing and deeply moving analysis of the problems that exist in

modern systems of education samael aun weor demonstrates with superior logic and tremendous love how vital it is for people to learn not what to think but how to think by awakening the consciousness and developing the heart and mind in equilibrium comes the potential to alter the painful realities that humanity is suffering within every day perhaps his most quotable book it is an absolute necessity for all students of the gnostic tradition and is especially beneficial for instructors and parents what is the value of studying law and becoming lawyers if we perpetuate fights what is the value of accumulating much knowledge within our mind if we continue to be confused what is the value of technical and industrial skills if we use them for the destruction of our fellowmen it is worthless to receive instruction to attend classes to study if in the process of our daily living we are miserably destroying one another indeed the true objective of a fundamental education must be to create true men and women whobecause of their psychological integrationare cognizant and intelligent samael aun weor

everything in existence functions because of laws of nature knowledge of those laws is what allows us to accomplish anything in life our spiritual and religious life is no different spiritual awakening is also managed by laws in nature on every level of existence there are basic facts that manage creation development decay and death our consciousness or soul is no exception to these facts and by knowing about them we can achieve our complete development as a human being samael aun weor explains the fundamental laws and energies that we need to consciously harness in order to reach our full potential these are the same energies that fuel the creation of any organism from the smallest atom to the most expansive universe the human being is called to be a radiant king or queen of nature but to arrive at that level one must know how
