in living detroit brandon m ward argues that environmentalism in postwar detroit responded to anxieties over the urban crisis deindustrialization and the fate of the city tying the diverse stories of environmental activism and politics together is the shared

assumption environmental activism could improve their quality of life detroit michigan was once the capital of industrial prosperity and the beacon of the american dream it has since endured decades of deindustrialization population loss and physical decay in short it has become the poster child for the urban crisis this is not a place in which one would expect to discover a history of vibrant expressions of environmentalism however in the post world war ii era while suburban middle class homeowners organized into a potent force to protect the natural settings of their communities in the working class industrial cities and in the inner city detroiters were equally driven by the impulse to conserve their neighborhoods and create a more livable city pushing back against the forces of deindustrialization and urban crisis living detroit juxtaposes two vibrant and growing fields of american history which often talk past each other environmentalism and the urban crisis by putting the two subjects into conversation we gain a richer understanding of the development of environmental activism and politics after world war ii and its relationship to the crisis of america s cities this book will be of great interest to students and scholars in environmental urban and labor history

log home living is the oldest largest and most widely distributed and read publication reaching log home enthusiasts for 21 years log home living has presented the log home lifestyle through striking editorial photographic features and informative resources for more than two decades log home living has offered so much more than a magazine through additional resources shows seminars mail order bookstore site and membership organization that s why the most serious log home buyers choose log home living
