a great deal of attention continues to focus on berlin s cultural and political landscape after the fall of the berlin wall but as yet no single volume looks at the divided city through an interdisciplinary analysis this volume examines how the city was conceived perceived and represented during the four decades preceding reunification and thereby offers a unique perspective on divided berlin s identities german historians art historians architectural historians and literary and cultural studies scholars explore

the divisions and antagonisms that defined east and west berlin and by tracing the little studied similarities and extensive exchanges that occurred despite the presence of the berlin wall they present an indispensable study on the politics and culture of the cold war

homer s iliad is often considered a poem of blunt truthfulness his characters motivation pleasingly simple a closer look however reveals a complex interplay of characters who engage in an awful lot of lies beginning with achilles who hatches a secret plot to destroy his own people mark buchan traces motifs of deception and betrayal throughout the poem homer s heroes offer bluster their passion linked to and explained by their lack of authenticity buchan reads homer s characters between the lies showing how the plot is structured individual denial and what cannot be said
