this book tells the story of cowboy artist asa lynn powell 1912 1978 a man who was destined to become a historically significant artist during his lifetime he portrayed the transition of the blackfeet indians as they moved from their old ways into the twentieth century he moved among them as their friend and he accurately recorded their transition through his art introduction

askart com presents a biographical sketch of american artist ace powell 1912 1978 additional information for powell includes a bibliography of publications about the artist museum holdings current exhibits images of the artist s work etc auction records including highest prices are available only to askart members

collection consists of four letters to robert athearn from ace powell and nancy powell discussing powell s work and plans for art shows

includes entries for maps and atlases

michael powell was introduced to film relatively late in life and feeling dissatisfied with what british films had to offer he took his primary influences from american and german films emeric pressburger was a hungarian emigre who was educated in the german film industry before fleeing from the threat of the nazi party these two men of diverse backgrounds would successfully collaborate on 16 films over a period of fifteen years most often with their identities united as the archers the archers collaboration began during world war ii where they attempted to identify the causes for which thousands were dying following the war their focus was on art and why it was worth dying for the results were such classics as black narcissus the life and death of colonel blimp the red shoes and the tales of hoffman the archers popularity waned in the mid fifties when the two men seemed to lack focus never popular with british critics they ended their career with a pair of mediocre films that seemed to be shadows of their previous successes
