a thorough and sparkling translation of an essential commentary on one of the most

profound practices of tibetan buddhism the extremely secret dakini of naropa has become the basis for almost every subsequent vajrayogini commentary in the gelug tradition kyabje pabongkha s commentary is both very thorough in its presentation and deeply inspiring providing rich detail on essential elements of vajrayogini practice all eleven yogas of the generation stage the transference of consciousness tsok offering left sided conduct and many other auxiliary practices there is also a stunning explanation of the completion stage that provides many extraordinarily profound methods unique to the practice of vajrayogini the second half of the book contains several sadhanas for the practice of vajrayogini including six session guru yoga as well as two sadhanas on the transference of consciousness this is a teaching that practitioners can use to transform themselves into a buddha like the artists who shape beautiful images out of raw materials gelek rimpoche

for their system of divination the authors drew upon extensive study of the 64 dakinis of the ranipur jharial temple in orisa india which honor intuitive wisdom

guide to dakini land is the first complete explanation in english to the tantric practice of vajrayogini the female buddha of wisdom the book provides detailed instructions on the eleven yogas of generation stage which are special methods for transforming all our daily activities into the spiritual path it also explains with perfect clarity the essential completion stage practices of vajrayogini it includes all the sadhanas of vajrayogini and advice on how to do a tantric retreat and a wealth of additional material that will be indispensable to anyone wishing to rely upon buddha vajrayogini

fear anger and negativity are states that each of us have to contend with machik s complete explanation the most famous book of the teachings of machik lapdrön the great female saint and yogini of eleventh to twelfth century tibet addresses these issues in a practical direct way machik developed a system the mahamudra chöd that takes the buddha s teachings as a basis and applies them to the immediate experiences of negative mind states and malignant forces her unique feminine approach is to invoke and nurture the very demons that we fear and hate transforming those reactive

emotions into love it is the tantric version of developing compassion and fearlessness a radical method of cutting through ego fixation this expanded edition includes machik lapdrön s earliest known teaching the original source text for the tradition the great bundle of precepts on severance chöd this pithy set of instructions reveals that the teachings of the perfection of wisdom are the true inspiration for chöd it is beautifully clarified in a short commentary by rangjung dorje the third karmapa

this book explores the role of altered states of consciousness in the communication of social and emotional energies both on a societal level and between individual persons drawing from an original reading of durkheimian social theorists including mauss hertz and hubert and jungian psychology louise child applies this analysis to tantric buddhist ritual and biographical material she suggests ways in which dreams and visionary experiences including those related to the subtle body play an important and previously under explored role in tantric understandings of the consort relationship

a set of commentaries that present some of the most rarefied and secret teachings within tibetan buddhism from the perspective of the dalai lama s gelug school the blazing inner fire of bliss and emptiness presents lucid translations of a pair of detailed commentaries by the famed tibetan tantric master ngulchu dharmabhadra 1772 1851 illuminating a set of extremely secret and restricted tantric practices of highest yoga tantra the first of these commentaries details the practices of the six yogas of naropa one of the most celebrated and revered systems of completion stage practice in tibet dharmabhadra presents the six yogas by elaborating upon lama tsongkhapa s 1357 1419 masterpiece on the subject entitled endowed with the three inspirations which served as the basis for nearly all subsequent commentaries on the six yogas within the gelug tradition ngulchu dharmabhadra s commentary is unique in that it presents the six yogas within the context of vajrayogini practice making this book a perfect companion piece to the extremely secret dakini of naropa wisdom publications 2020 also contained in this book is ngulchu dharmabhadra s lucid and concise commentary on the first panchen lama s 1570 1662 famous supplication for liberation from fear of the perilous journey of the intermediate state the prayer a beautiful literary contribution from the first

panchen lama in its own right invokes the immediacy of death and the potential to use the process of dying as an opportunity for liberation the prayer extols the efficacy of the nine mixings of the completion stage as direct means of transforming our ordinary death process by using advanced yogas presented in the first commentary on the six yogas together these works present the reader with a vast and profound vision of spiritual transformation one in which every aspect of human experience can be used as an opportunity for transcendence and spiritual liberation

whereas the art of most buddhist countries features a preponderance of male images the art of tibet has traditionally emphasized what the authors call the strong role of the feminine this book one of the first western titles ever to analyze this unique artistic tradition is the companion volume to a touring art exhibit about female buddhas publishers weekly

a tantric system of divination based on the work of nik douglas in the ranipur jharial temple of orissa india penny slinger created the series of 65 full color cards with surrealistic images includes celtic cross and tree of life charts

chod refers to cutting through the ego and emotional entanglements

this volume highlights perhaps for the first time the techniques whereby mandala schemes are projected in thought belief and action on to widely differing natural landscapes the emphasis is on geographical contexts and socio cultural traditions
