teaches you exactly how to handle the mental and emotional challenges of motherhood and prevent stress depression and anxiety

there are loads of books on how to raise happy children but where's the manual on how to be a happy mom where's the instructions that teach moms how to deal with the anger the guilt the lost identity or the feeling of being consumed overwhelmed or stressed the happy mom handbook is the new bible for motherhood the happy mom handbook will teach moms exactly how to handle the mental and emotional challenges of motherhood and prevent stress depression and anxiety using a simple easy to remember 5 step process

much has been written about what to expect of your child in the first year of its life how to tame toddlers and raise children in an age prone to overparenting the time is right for the UK's largest online parenting organisation to put the emphasis back on a mother's needs often the pressure to be the perfect mother can add to a mother's worries especially first time around forget the yummy mummy phenomenon that says it's possible to look after a newborn baby keep your house spic and span cook gourmet family dinners and still manage to put your lipstick and heels on life isn't really like that this practical handbook looks at the elements of parenting that can make a mother unhappy and offers information and advice on how to cope most importantly this is real advice for real women from real women the 250 000 members of netmums.com together with advice from the experts

are you a mom wondering what it really takes to raise happy kids you are in luck the happy mom handbook reveals the struggles of having a joyful healthy family while providing strategies to enjoy life more michelle a mom like you has poured her heart and soul into this book sharing her parenting challenges and the lessons she has learned inside these pages you'll find loads of tips and tricks to help brighten up your days including the toughest ones written for new moms but great advice for even the seasoned pro this book will help you reflect on your happiest moments and create more joy in your home remember every mom deserves to experience joy and happiness in her parenting journey with the right strategy it's possible for everyone so what are you waiting for grab your copy of this amazing book today and make your parenting adventure a joyous tale to tell

you can usually tell a mom even when she doesn't have children around her just by the general appearance she has she's the

one that doesn't have makeup on or at least not a lot and she usually seems a little hurried like she's trying to hurry through her errands so she can get back to her children most likely she has this way about her that seems almost a little crazed and you'd like to help her because you get it but you're not really sure how well these types of moms are definitely the most common but they're not the only ones out there every day you walk by moms that you never even knew were moms these are the women who seem to have it all together whether they're shopping alone or with friends or even with their children they seem to have a plan but they execute that plan in a calm way they walk through the store at a comfortable pace with their children wandering or tailing along behind them though not necessarily in an orderly way more of a casual nothing has struck my fancy quite yet way but who are these moms and how did they get to be so calm and together these women are what we call happy moms they've been able to work out the problems and some of the crazy moments in their lives to reach a state of being that most moms would consider absolute bliss if they could just figure out how to achieve it themselves well you're in luck because this book is going to teach you how to achieve that state of happiness and bliss for yourself it's not going to be difficult but it is going to require you to do something you might think of as difficult putting yourself first throughout this book we'll talk about what you need to do in order to put yourself first and we'll even talk about how putting yourself first not all the time but sometimes is actually going to be better for your children as well which may help you to actually do it after all a lot of moms feel like they're hurting their family by putting themselves first well we're here to tell you it's essential to your child's happiness and health and we'll explain why

parenthood the greatest adventure of all while everyone else on social media is dressed neatly and smiling happily at the camera the picture postcard family you're chasing a half-naked toddler around and simultaneously trying to remove baby vomit from your shirt welcome to reality in the real mum's guide to surviving parenthood mum of seven Jen Hogan is your expert guide sharing her candid perspective on the rollercoaster of parenthood with all its ups and downs challenges and rewards from pregnancy to the teenage years humorous and sensitive realistic and always ready with an anecdote Jen is full of practical advice while also appreciating the emotional involvement in rearing children she understands that what works for some children doesn't for others and includes realistic tools for overcoming certain hurdles the real mum's guide to surviving parenthood covers all aspects of parenthood including pregnancy childbirth and miscarriage the newborn stage postnatal depression adjusting to the new mum you and the importance of mum friends toddler terrors and teenagers adding to your brood and adjusting to the new family dynamic the primary school years the secondary school transition the real

mum s guide to surviving parenthood is for all parents from expectant mothers to parents of teenagers

the mum s guide to returning to work sets out to support women in their return to the workplace after a career break bringing up children it is an easy to read and practical book which will help women to build their confidence to choose a career to suit them to develop job hunting skills negotiate flexible working find suitable childcare and to manage the change in their lives that will come as a result of returning to the world of work it is written with the woman returner in mind using relevant examples they will relate to and quotes from women who have been there extra chapters are included for lone parents and women from overseas an invaluable resource providing everything needed for the woman returner in one compact accessible and uplifting book beki clark is a careers adviser coach trainer and mum who specialises in working with women returners she is currently working for charity cambridge womenâ s resources centre 10 of proceeds from this book will go to cwrc cwrc org uk

this fresh empowering and fully comprehensive guide is the must have handbook for every working mom caitlin friedman and kimberly yorio have helped readers find their dream jobs be a boss without being bitchy and even start companies of their own but what happens when a career girl becomes a mom and her world turns upside down can you maintain your ambition and momentum at work while still being the kind of parent you want to be of course you can in happy at work happy at home caitlin and kim guide readers through every step on the road to having it all offering detailed practical advice in their trademark style working mothers themselves these authors know what it means to juggle the demands of office and home and they re here to help the rest of us from first breaking the news that you re pregnant to making the most of your maternity leave to getting the help you need from your partner and childcare professionals this book is a must have resource for a whole generation of working women who aspire to keep their careers on track and their home life running smoothly without losing their minds as the title suggests the insightful tips from both the authors and from intimate and eye opening interviews with other successful moms will help all working mothers on their quest to be satisfied fulfilled and happy at work and at home

a supportive guide that gives busy moms permission to care for themselves from a popular parenting blogger with one million facebook followers would you rather have a perfect mom or a happy one this is the question that popular parenting blogger rebecca eanes couldn t get out of her head so she asked her school age son who didn t miss a beat in responding a happy one

thus began a journey of reflection and repair work as rebecca asked herself an even harder question how can i rediscover everyday joy amid the chaos of schedules homework and housework not to mention the guilt comparisons loneliness fear and overwhelm in other words how can i become a happy mom again in this relatable guide rebecca walks readers through the process of getting back to happy for your own sake as well as your family s going beyond the usual advice about finding balance embracing gratitude and not sweating the small stuff her hard won advice is written by a busy mom in the trenches topics include letting go of perfection or anything close to it making peace with the past including the pain of disappointment loss and the roads not taken tuning in to your own wants and needs and tuning out the comparisons shoulds and noise of social media finding magic in the mess choosing joy over fear and worry creating healthy boundaries so that everyone in your life can thrive including you filled with fresh insights simple strategies and aha moments this is that rare book you ll want to read share and return to for a booster shot of confidence connection and joy

while this handbook can be read in only 60 minutes it s packed with 10 years worth of no nonsense actionable advice for new moms who want to learn how to sleep train their baby get a toddler to love eating healthy foods avoid common parenting mistakes know the rules for playdates tv and video games and raise a happy healthy smart disciplined and interesting child should your baby sleep alone from day one can formula save your sanity are pacifies a good thing what should dad s job be how do you discipline a toddler what are the tricks for healthy eating habits all these questions are expertly answered and so much more
