it is a guide to a loving and healthy life and world we all want to have this kind of life physically and spiritually so we should know the true laws that guide us to achieve the life and evolvment god meant for us to have universal spiritual laws usl are the

unbreakable god given laws that created and govern both realms of our existence this book presents the primary us1 love and numerous secondary laws that all directly relate to the primary law over many generations unfortunately mankind has replaced god s us1 with their own self serving controlling ego and greed based laws leaving the world in the condition it is today the us1 were given to me by a highly evolved goddess of motherhood mercy and compassion quan yin see depiction on back cover through an ordained minister and a very evolved and gifted certified medium rev beverly burdick carey the spiritual source by passes the human negative thinking ego and desire for power and control and gives only truth your thoughts words and deeds whether positive or negative cannot escape us1 and determine our physical and spiritual life and evolvment which is our purpose here on earth since we create our own life s path follow the us1 in a positive way to avoid having to repeat needed life lessons and speed your evolvment and have a more ideal life how you follow the us1 is your choice it is also extremely important to know and understand that we are all a part of god not apart from god and god is all and love good health is very important in life and with forty years of medical and spiritual study and practice i have learned that our life s path and health are created by our own thoughts words deeds and beliefs therefore i chose to briefly cover the healing aspects of each us1 to help you improve your health and healing use the knowledge wisdom and truths given to me that comprises this book to better your physical and spiritual evolvment healing and life you can summarize this book in three words unconditional love and truth but you need to learn study and follow the us1 to spiritually evolve and benefit from them know the truth and truth will set you free keep an open mind and heart and start with small steps and i wish you love and light

this is my new e book called the big book of universal laws the rule book in it i will attempt to explain the universal laws many times called god s law the spiritual laws moral laws or the natural laws and how they apply to your life and your opportunities for success now you may know about most of these laws but you may not even realize that these laws are having an effect on your life and your chances for success awareness of them is crucial if you hope to achieve wealth but if you can find a formula for success in the use of these laws and can show people the right way to use these laws then you have created a powerful success formula and that is what i am attempting to do here all of these laws are immutable unalterable and unchangeable meaning that they can not be changed altered or silenced in any way and they super

cede the laws of man these laws apply to everyone on the planet and if you do not know them they are still having an effect on your life so i am going to try to make you aware of these laws and how they apply to you this book is designed by me to help you understand these laws that have come straight from the heavens to all of us humans to help us navigate this life we are now living these laws come from this source of power we call infinite intelligence the creator of everything in the known and unknown universe this source of power is also called universal intelligence because it contains all of the intelligence in the universe universal power because it controls all power in the universe and universal energy because it contains within itself all of the energy in the universe and is the same entity of power that many people call god this source of unlimited power has given to man a powerful tool in his brain called the sub conscious mind that when it is trained or conditioned in the right way it will attract to itself the right conditions and opportunities via the law of attraction into your life when the law of attraction is used the right way by only focusing on what we want and believing that we are worthy enough to receive it and by eliminating negative thoughts and emotions and replacing those with positive thoughts and emotions we bring this law into effect this almighty power would like for those of us who are spiritually enlightened to try and explain to the others how these universal laws work and how they can be used in the right way to help you achieve success i just want you to know that even if you do not know about these laws they are still having an effect on your lives and you must become aware of them if you hope to become successful so let s get started

have you ever wondered why multitudes of people are entrapped in a morass of debilitating circumstances of poverty lack sickness defeat and other webs of demonic entanglement in this publications apostle frequency revelator unpacks the divine truths that many of god s people are agonized in this manner simply because of their lack of understanding of the spiritual laws governing the legal realm in which we operate the truth is that the severity of a man s situation isn t the problem but rather his ignorance of spiritual laws in his bane in the natural realm any man who doesn t understand the demands or requirements of the law or does not seek legal counsel with regard to a legal matter levied against him in the court of law can actually loose the case simply because he lacks legal knowledge in some quarters of the society others have gone to the extent of being detained in jail for the crimes they never committed simply because they lacked legal representation in the court of law as it is

in the natural so it is in the spiritual realm in this publications apostle frequency revelator unpacks the reality that dozens of believers suffer tragedies and face calamities in their lives simply because they are completely lost at sea as to how to take advantage of spiritual laws as constituted in the word of god in some instances multitudes of folks have gone to the extremes of frustration and aborting their god given destinies simply because they are still sailing their boats through shallow streams of spiritual understanding as far as spiritual legal matters are concerned this is to tell you that spiritual laws are vital keys that unlock the doors into the supernatural and accentuate an avenue through which divine substances can be transacted to the natural realm in retrospect to the spiritual legal realm there are laws and principles that god has put in place by which he governs the universe and extricably controls every fabric of creation in his hand these are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit in the natural realm the term law alludes to a body of legal principles that govern the moral conduct of humanity in a particular country natural laws govern the natural realm and the principles by which humanity interacts with other domains of life on the earthly realm for example there is a law of gravity which stipulates that if you throw an object up in the air it will evidently crash back onto the earth then there is a law of flotation which allows ships and boats to float on water then there is a law of aerodynamics that enables an aeroplane to fly and the law of electricity which helps us generate heat and light energy the reality is that when we operate in obedience to these physical laws within nature we reap positive results but when we violate them the repercussions are severe in a similar vein in which there are laws of gravity which governs how to operate in the natural realm there are also spiritual laws that govern the spirit realm or how to operate in the supernatural as much as there are physical laws there are also spiritual laws which are the highest class of laws in the universe governing and controlling the operation of humanity in the realm of the spirit these are spiritual legal principles that one can tap into in order to manoeuvre your way through the corridors of the spirit world to manifest the reality of god s power in the natural realm however failure to master the art of operating in congruence with these spiritual laws has far reaching spiritual consequences one of which is setting oneself up for extreme disadvantage hence it is imperative that you master the art of how to unlock the destinies of people s lives and nations from the legal dimension of the spirit the key is in understanding the judicial system of the spirit realm as it runs

parallel to that of the natural

everything the believer needs has already been given to us in the spirit realm by christ jesus through the power of faith learn the spiritual laws and principles that will cause your faith to operate the kingdom of heaven for you the kingdom of heaven is a real spiritual place with real spiritual beings that is enforced by spiritual laws and power discover the spiritual principles that will cause the law of faith to work for you in this kingdom

this publications awakens the believer to a myriad of spiritual laws and principles of god which he can take advantage of and enter deeper realms of the spirit it is worth exploring the divine truth that there are laws and principles that god has put in place by which he governs the universe these are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit for example there is a law of gravity which stipulates that if you throw an object up in the air it will evidently crash back onto the earth the law of floatation which allows ships and boats to float on water the law of aerodynamics that enables aeroplanes to fly and the law of electricity which helps us generate heat and light energy the reality is that when we operate in obedience to these physical laws within nature we reap positive results but when we violate them the repercussions are severe however as much as there are physical laws there are also spiritual laws which are the highest class of laws governing and controlling the entire universe in the spiritual realm god has established a court system with laws principles and divine protocols which functions just like the court system of the natural realm just like physical laws when we cooperate with these spiritual laws we reap alarming results but when we violate them we face the consequences it s a pity that most people do not understand the operation of these divine laws and protocols which explains why the devil ends taking advantage of their ignorance thus gaining a legal foothold that grants him the right to ensnare them into debilitating circumstances of poverty sickness and defeat there are certain principles that one can tap into in order to walk into the deeper realities of god s power just like there are laws of gravity which governs how to operate in the natural realm there are also spiritual laws that govern the spirit realm or how to operate in the realm of the miraculous these laws of the supernatural complement each other and are progressions to enter into the greater depths of god each of these laws has a specific manifestation that produces something special however it is unfortunate that

many believers are failing to operate in the realm of the miraculous because they do not understand spiritual laws and principles which they could take advantage of to generate positive results spiritual laws and principles are therefore vital keys that unlock the doors into the supernatural and accentuate an avenue through which the power of god can flow it is a typical scenario in the body of christ that so many people have the power but they do not know how to release it having the power is one thing and knowing how to tap into the realm of god to release that power is a completely different reality in the church of jesus christ today god has invested upon believers tremendous overwhelming and explosive power and authority but that power is not released as it should because of lack of understanding of spiritual laws and principles governing the realm of the spirit they have the exousia power but they are not realizing how to tap activate and exercise it failure to tap into the realm of power is what is allowing their homes to be plundered by the enemy without taking authority against it just like adam allowed the serpent to tempt eve and deceive her in his presence it has been noted that a lot of christians are allowing satan to dominate their lives and wreak havoc in their families while they are busy crying to god for help learning how to tap into the set spiritual laws and principles is therefore vital in birthing forth supernatural manifestations of god s power you are definitely guaranteed to launch into the greater depths of the miraculous if these spiritual laws and principles are correctly applied practised and activated
