for the purpose of publication of these proceedings the original conference  
programme has been rearranged to provide a more logical sequence of  
presentation the beginning sections give the inaugural speech and the six  
keynote addresses which were delivered at the opening plenary session  
following these are the working papers published more or less in the same  
sequence in which they were presented in the original programme the order  
of presentation does not necessarily emphasise the importance of any one  
aspect of the arctic systems over others the final reports of the six working  
groups and their conclusions and recommendations are edited in such a  
manner as to present them in a standardised format for easy comprehension  
the editors accept responsibility for any distortion inadvertently introduced in  
the summarising and editing processes later sections of the proceedings give  
a background to the conference organization and deliberations and an  
independent critique of the meeting the directors and those who attended  
the conference were conscious of the debt of gratitude owed by them to the  
conference chairmen rapporteurs authors of working papers and many  
individuals for their contributions to the success of the meeting we wish to  
thank them and it is a pleasure to record their names in these proceedings
