playing internet poker in real time against real opponents might just represent poker s brave new world whether for play money or real money it s an environment consisting of virtual tables player icons representing you and your opponents and specialized computer algorithms that randomly shuffle the cards it s a world where you can find a game day or night though it may be the wee hours of the morning in california it s prime time in europe and someone somewhere is looking to play a little poker but it s poker with a difference the game is the same to be sure but technology does kick in sometimes in strange and unexpected ways a reference as well as a tutorial this book includes a cd with free poker software and a special bonus chapter with 125 interactive hands to help you prepare to play the internet games for fun or for profit

more and more people are playing online poker just as there are more opportunities to play but online poker is still in its infancy both in terms

of numbers and technology but more importantly very few poker strategies have yet been developed this guide is the first of its kind casinobike.com attempt to fill the huge gap it will be useful for those players who have never played cards by pressing the keys as well as for the more experienced ones who want to play better play to win and win more experienced players may not read the introductory part but i think some valuable insights can be gained there as well the first thing that is important to understand is that online poker is not the same as poker in a regular casino they are completely different games it's not about which one is better or more importantly more profitable it is simply a different game and different in principle of course many of the same tricks that work in a regular casino will work in online poker both here and there it's a good idea to get good cards on the layout you should never give away your emotions or play for stakes you can't afford etc don't think casino bike is going to reinvent the wheel there are plenty of websites books and magazines dedicated to poker and you can always learn useful tricks both in regular and online play after all in online poker a straight all or more cards of the same suit in your hand also beats a straight a combination of cards by rank there is no point in going over these rules over and over again

whether you're a beginner or an intermediate player who wants to move from live games to playing online the everything online poker book is your user friendly guide to the fundamentals of the game along with tips and techniques that are specific to online play this insider's guide offers step by step instructions and real world tips on setting up an account and making secure bets finding the right site joining a table and navigating an online game online poker etiquette figuring out the stakes and other player expenses avoiding cheaters finding poker resources on the internet the popularity of online poker is exploding with some 2 million people playing on more than 300 sites every day whether you're a risk taker or a more conservative player the everything online poker book gives you everything you need to devise a winning strategy and cash in on the online action

this book is intended to be an introduction to the poker game emphasizing on the online poker the betting structure poker variants poker strategy and specific poker tournaments online poker is the game of poker played over the internet online poker rooms tend to be viewed as more player friendly and allow the players to play for very low stakes it has been partly responsible for a dramatic increase in the number of poker players worldwide while the practice of comping players with free meals hotel rooms and merchandise is quite common in b.m. casinos

online poker rooms have needed to develop new ways to reward faithful customers the most common way of doing this is through deposit bonuses where the player is given a bonus code to enter when placing money into an account one common feature of the online poker sites is to offer tournaments called satellites by which the winners gain entry to real life poker tournaments online poker rooms reward customers through deposit bonuses where the player is given a bonus code to enter when placing money into an account

take poker online the fun and easy way five years ago 50 million people were playing poker recreationally or professionally now that number is more than 100 million including a huge influx of young people online betting is up nearly four fold over the past year with total wagers running over 30 billion winning at internet poker for dummies provides the lowdown on the hottest game around highlighting the best sites and virtual games and showing how to make secure online bets the book covers setting up an account securing funds navigating a basic online poker game using internet abbreviations and lingo observing online poker etiquette playing popular online poker games such as texas hold em and omaha devising a winning strategy and participating in tournaments

so you want to get better at poker you are committed to this and you are prepared to spend time on it you ask advice and what do people tell you probably something along the lines of just keep working on it and you ll get there this is wrong just working on it will not help you randomly analysing hands watching poker on tv or vaguely looking at equity equations won t cut it the only approach that will work is the right sort of practice based on a relatively new area of psychological investigation the science of expertise this book identifies precisely what this right sort of practice entails it is based around what has become known as purposeful practice purposeful practice is the gold standard for anyone who wishes to take full advantage of the remarkable adaptability of the human brain and is the fast track route to improving your poker skills this book will give you a clear theoretical understanding of the science of purposeful practice numerous techniques by which this can be adapted to improvement at poker specific exercises designed to create an infallible plan for poker improvement

playing texas hold em can be fun and even profitable when you play smart and follow the advice of those in the know in this book we ll explore different ways to play the game of texas hold em online to maximize on your buy in we ll touch on tournaments as well

learn how to play smart stay safe and have fun with online poker under the gun i had a nut flush draw on the flop so i go over the top back into the small blind the guy on the button smooth calls and i catch the boat on fifth street the above quote may not sound intelligible to you now but it actually makes perfect sense to dedicated poker players deal me in will have you talking the talk and walking the walk in no time whether you re playing with funny money or real stakes you ll discover how fun and exciting online poker is and how it demands much of the same strategies and skills as a live game but with internet poker you can play any time of the day or night and choose from thousands of games to match your skill level and bankroll whether you re an experienced poker player new to the online scene or a complete novice deal me in will help you get in on the action this complete and entertaining primer explains how to get started playing online poker in a safe and secure way with an emphasis on the popular game texas hold em touching on all aspects of online play you ll learn how to connect to online satellites and big time tournaments grasp the basic poker rules and hand rankings adjust to the intricacies of playing on the internet navigate the free money cardrooms take a seat at a virtual poker table get comfortable with online poker room etiquette establish a real money account figure out table stakes the rake and other playing expenses incorporate online strategy and specialty moves and much much more novice players will find the handy tear out card just what they need to get up to speed on the hand rankings and the popular poker lingo

this easy to understand illustrated book introduces you to the essential facets of this popular game explaining how it differs from bricks and mortar poker after teaching you the fundamentals of poker software and security this in easy steps primer helps you choose the most advantageous game and table you ll be learning the key elements and strategies of texas hold em the most popular online game how to play no limit texas hold em and omaha plus the rudiments of seven card stud tournament play is also covered
