this study is more about what the fifth and sixth trumpets of revelation are not rather than what they are after all it is premature to speak of what they are when the generally accepted view is built upon a platform of error it is this fog of error that must first be lifted before we as a church can move forward united in our message to the world as we rightly present the warning messages of the trumpets of revelation to a dying world this study comes at a critical time as the sixth trumpet of revelation has its application in force in this present period of earth s history and will continue so until the close of probation as we will prove the seventh trumpet of revelation as will be shown is when jesus receives his kingdom the administration of the seven last plagues will follow climaxing with the second coming of christ in the clouds of heaven

this book covers the entrance of sin into the world and how mankind lost their god given robe of light and righteousness and became spiritually naked but as soon as man sinned the plan of salvation that had been conceived since the foundation of the world was put into effect god had adam see for himself what sin costs by killing innocent lambs to make skins to cover their nakedness instead of the fig leaf garments they had made for themselves thus showing that we have no power to clothe our nakedness of sin and only the death of christ the lamb can do so pastor bohr also discusses how sin is the cause of all the psychological and marital problems in the world today because adam and eve experienced fear shame and guilt and were shifting the blame for their sin he shares how the glorious promise of genesis 3 15 gave them hope that a seed would come who would destroy the serpent but would have to suffer in doing so but there would be a long struggle coming that began with the loss of abel as satan tried to prevent the seed from coming and having failed to do that revelation 12 expands genesis 3 15 and shows how the serpent s fight will continue to the end against those god is saving purifying and preparing to take home with him genesis 3 15 is the seed code for the rest of the bible and its history of the struggle between the woman her seed and the remnant of her seed against the devil and his seed

pastor bohr continues his detailed verse by verse study of the book of revelation by examining the meaning of the symbols used to describe christian church history found in the seven seals of revelation chapters 4 7 those who desire a clear thorough informative and uplifting interpretation of revelation s mysteries will not want to pass this set by many christians believe that almost everything written after revelation chapter 3 applies only to the jews and others who are given a second chance after the church has disappeared in the secret rapture this can lead to some very serious errors and leave one unprepared for the times ahead pastor bohr shows clearly how these sections throughout the book must have a repetitive cyclic flow similar to the style of daniel as well as having an overall historical flow that is fulfilled from the time of john the revelator up to the end of time and therefore these prophetic chapters are filled with events in them that pertain to our day
