are sex and gender really two different things how malleable is gender identity should we emphasize gender differences these are only some of the questions hilary lips addresses regarding one of the most important dimensions of human life since time immemorial stereotypes gender roles and how social relationships function all combine to assign meanings to the male female distinction that affects all aspects of social life taking advantage of the abundance of current research that reevaluates and resituates the major issues of sex and gender the sixth edition collects and distills this scholarship into a book that is readily accessible and relevant to today s readers lips incorporates knowledge gained from a range of social sciences taking a critical approach to empirical research throughout the book she emphasizes culturally racially and sexually diverse perspectives a discussion of the role that gender plays in social relationships and power hierarchies illuminates the experience of inequality between men and women in business education politics and the media the ideas presented in sex and gender will raise readers awareness of the issues contributing to that major social problem

this fully updated new edition of gender in cross cultural perspective carefully introduces and responds to changes in anthropological approaches to and perspectives on gender with two new editors and new authors from the global south and underrepresented communities it combines theoretically and ethnographically based chapters to examine gender roles and ideology around the world the books is divided thematically into five parts with the editors opening each section with a succinct introduction to the principal issues the book retains some of the classic chapters while offering new contributions and extended discussions throughout on methodology it also has entirely new contributions that reflect more recent developments in the discipline including more emphasis on lgbtq communities covid and migration this new edition also features additional support for teaching and learning including a film list and discussion questions that are now offered as supplemental online materials the eighth edition of gender in cross cultural perspective continues to be an essential resource for undergraduate and graduate students encountering the anthropology of gender for the first time

a 2023 choice reviews outstanding academic title transgender and gender expansive people are increasingly becoming the focus of media politics and of public conversation with this increased attention comes greater visibility and counselors are now more than ever likely to clinically engage with openly transgender or gender expansive clients during their careers this is in spite of the fact that many counselors have not received specific training in skills knowledge and awareness necessary to provide affirming informed care for these populations in this book the authors provide practical real life suggestions and interventions to help therapists supervisors and trainees increase in their competence and confidence in working with transgender and gender expansive clients the resources provided here are informed by evidence based practice scholarship on intersectionality and by social justice and advocacy movements this book is a useful supplement to clinical work with transgender and gender expansive people especially for the many clinicians who work in regions with limited transgender specific resources

principles of gender specific medicine examines how normal human biology differs between men and women and how the diagnosis and treatment of disease differs as a function of gender this revealing research covers various conditions that predominantly occur in men and as well conditions that predominantly occur in women among the subjects covered are cardiovascular disease mood disorders the immune system lung cancer as a consequence of smoking osteoporosis diabetes obesity and infectious diseases gathers important information in

the field of gender based biology and clinical medicine proving that a patient's sex is increasingly important in preventing illness making an accurate diagnosis and choosing safe and effective treatment of disease addresses gender specific areas ranging from organ transplantation gall bladder and biliary diseases to the epidemiology of osteoporosis and fractures in men and women many chapters present questions about future directions of investigations

examine the psychology behind women and gender with the engaging narrative and latest research in matlin foushee's best selling the psychology of women and gender 8e this well written comprehensive introduction is known for its balanced scholarship readability and inclusion of intersectional and lgbtqia perspectives the authors demonstrate a genuine interest in and understanding of you the reader this edition's captivating presentation uses direct quotes and empirical research from multiple academic disciplines to accurately depict today's gendered experiences updates incorporate research from 2020 or later as this edition examines topics that are central to women's lives but are often not addressed by other authors complete chapters discuss childhood adolescence aging love relationships motherhood physical and mental health material also explores economic issues social class ethnic and gender diversity pregnancy and retirement for women

provides an introduction to sex and gender theories research and issues this book focuses on social psychological and feminist perspectives it examines the similarities and differences between women and men discusses where that knowledge comes from and explains how that knowledge may itself be shaped and limited by cultural perceptions

designed to engage students with its unique writing style and critical thinking this text provides an overview to the study of gender while emphasizing cross cultural multicultural issues to demonstrate what's truly universal about gender galliano's text has been extensively class tested at texas aandm university and has been carefully evaluated against nearly 100 detailed student reviews

eight essays examine the integration of women into the workforce focusing in particular on their occupational segregation analyses the relationship between consumption norms women's work role and economic growth over a sixty year period contains data on pay and promotions in a large company to illustrate occupational segregation by sex examines subcontractors employment of women to do work at home in mexico city etc

employers often ascribe values to gender and sexual orientation that override truly relevant personal characteristics including ability intelligence and dedication policy makers and business leaders need to be informed and involved in creating a workplace climate that openly accepts all people this volume highlights concerns such as gender barriers to occupational advancement sexual harassment and female vulnerability and heterosexual men as targets of sexual harassment diamant and lee discuss the origins and development of sexual stereotypes that form the basis for discrimination business leaders must educate themselves and their employees to understand the wide range of differences that exist in the workforce the psychology of sex gender and jobs offers solutions to managing the workforce of today

psychology of sex and gender provides students with a balanced examination of the influences of sex and gender on behavior and development the book takes a truly global perspective when examining the relationship between and among sex gender and factors such as sexual orientation race and ethnicity and religious and

geographical diversity this richly illustrated book offers a lively writing style and makes research relevant to the lives of students engaging student interest by including student responses from journaling assignments excerpts from student papers and personal perspectives dr smith s approach to sex and gender is multidisciplinary she includes research and theoretical contributions drawn not only from psychology but also from biology sociology history philosophy and anthropology
