j is the title that scholars ascribe to the nameless writer they believe is responsible for the text written between 950 and 900 bce on which genesis exodus and numbers is based in the book of j bloom and rosenberg draw the j text out of the surrounding material and present it as the seminal classic that it is in addition to rosenberg s original translations bloom argues in several essays that j was not a religious writer but a fierce ironist and a woman living in the court of king solomon he also argues that j is a writer on par with homer shakespeare and tolstoy bloom also offers historical context a discussion of the theory of how the different texts came together to create the bible and translation notes rosenberg s translations from the hebrew bring j s stories to life and reveal her towering originality and grasp of humanity

members of the church of Jesus Christ of Latter Day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith. The Book of Mormon that is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration. In the process, the point tends to get overlooked that while we may accept the text as inspired, the physical embodiment of that text, the Book of Mormon, is a mortal reality. The Book of Mormon, while it has a spirit, also has a mortal body or rather bodies existing in space and time as such it has a history and because it comes to us in the form of a book, it also has a book history. This study is divided into three parts. The first part is a straightforward history of the edition's editing, production, and manufacturing processes. It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re-impressions, corrections, transfers, and one new format. The narrative is crowded into chapters one through four. Together, they leave part II to catalogue the bibliographic minutiae that is the beating heart of analytic book history and which provides entertainment for true-blooded bibliophiles. The details contained in the production and manufacturing contracts, and coupled to the typographical evidence explained in part III, together resolve once and for all the question of what constitutes the 1920 edition and what does not.

considered an expert about the Book of Enoch, Dr. Randy Delp has put together an analysis of this ancient book to explain why Jesus and the New Testament writers were not only influenced by the Book of Enoch, they quoted its contents, cited its texts, and labeled it scripture. The teachings of Enoch have influenced every major monotheistic religion, including Islam, Judaism, Christianity, and Zoroastrianism, and vestiges can be found in Hinduism and other ancient religions. The footprints of his teachings are seen throughout every generation, and the finality of his message has yet to be fulfilled. Enoch's influence in astronomy, history, religion, education, and parapsychology has forged how society thinks today. It is significant to note that the prophet named Enoch, who was born seven generations after Adam and Eve, may be the only person in history who has had a positive effect on every major and minor religion while nothing negative is ever spoken about him.

striking new cover heralds reissue of Walter Wangerin's million-selling retelling of the Bible as an epic novel.

experience the Bible as a singular powerful story and prepare to be swept away by scripture as never before. Wangerin's Bible Storybook for Adults features brilliant settings, dramatized scenes, and added dialogue, all gleaned from extensive research. The Book of God reads like a novel, dramatizing the sweep of biblical events, bringing to life the men and women of this ancient book in vivid detail and dialogue. From Abraham wandering in the desert to Jesus teaching the multitudes on a Judean hillside, this award-winning bestseller follows the biblical story from start to finish. Priests and kings, apostles and prophets, common folk and charismatic leaders, individual stories offer glimpses into an unfolding revelation that reaches across the centuries to touch us today. The Book of God follows the biblical story in chronological order, filled with carefully researched cultural and historical background. Includes biblical events viewed through the eyes of minor characters. Master storyteller Walter Wangerin Jr. shares the story of the Bible from beginning to end as you've never read it before, retold with exciting detail and passionate energy. Experience the Bible in a beautiful new way.
