surviving the apocalypse was hard enough but when mark s community is attacked by an unknown enemy spreading a deadly virus he s determined to find out who s responsible before the flare infects them all

newt has been to hell and back with his friends the glade the maze the scorch the inner halls of wicked but now he has a

burden that can't be shared with Thomas and the others, the flare and Newt can't bear the thought of his friends watching him descend into madness as he succumbs to the virus, leaving only a note. Newt departs the Berg before the Gladers return from their mission into Denver, Colorado. From there, he experiences the gritty nightmare of life on the streets, running from the infected and those hunting them until he ends up in the Crank Palace, the last dumping ground of those without hope. Although Newt thought he was running away from his friends to save them from himself, along the way he meets a young mother named Keisha and her son Dante, who end up saving Newt in a way he could never have imagined taking place during the latter events of the death cure. Crank Palace tells the story of Newt like never before, from inside his own mind as he searches for meaning in a life gone horribly wrong. He will try to fulfill a new found destiny before his path leads to its inevitable conclusion and one last meeting with his best friend.

From James Dashner, author of the #1 New York Times bestselling Maze Runner series, comes the second book in the bestselling Mortality Doctrine series, an edge-of-your-seat cyber adventure trilogy that includes *The Eye of Minds* and *The Game of Lives*. This includes a sneak peek of *The Fever Code*, the highly anticipated conclusion to the Maze Runner series, the novel that finally reveals how the maze was built. Michael thought he understood the VirtNet, but the truth he discovered is more terrifying than anyone at VirtNet security could have anticipated: the cyber terrorist Kaine isn't human; it's a TANGENT, a computer program that has become sentient, and Michael just completed the first step in turning Kaine's master plan, the Mortality Doctrine, into a reality. The Mortality Doctrine will populate Earth entirely with human bodies harboring TANGENT minds. The VNS would like to pretend the world is perfectly safe, but Michael and his friends know that the takeover has already begun, and if they don't stop Kaine soon, it will be game over for humanity. Praise for the bestselling Mortality Doctrine series: Dashner takes full advantage of the Matrix-esque potential for asking what is real. io9.com set in a world taken over by virtual reality gaming, the series perfectly captures Dashner's hallmarks for inventiveness, teen dialogue, and an ability to add twists and turns like no other author. MTV.com a brilliant visceral gamified mash up of the Matrix and Inception guaranteed to thrill even the non-gaming crowd. Christian Science Monitor

A prequel to the worldwide Maze Runner phenomenon, *The Fever Code* is the book that holds all the answers: how did Wicked find the Gladers who are Group B, and what side are Thomas and Teresa really on? Lies will be exposed, secrets uncovered, loyalties proven. You'll never see the truth coming.

thomas was sure that escape from the maze meant he and the gladers would get their lives back but no one knew what sort of life they were going back to the earth is a wasteland government and order have disintegrated and now cranks people driven to murderous insanity by the infectious disease known as the flare roam the crumbling cities hunting for their next victim and meal thomas can only wonder does he hold the secret of freedom somewhere in his mind or will he forever be at the mercy of wicked

michael completed the path what he found at the end turned everything heâ€™d ever known about his life completely upside down he thought heâ€™d been helping virtnet security to track down the cyber terrorist kaine he thought the virtnet would be safe for gamers once more but the truth is more terrifying than he could ever have imagined kaine is in fact a tangent a computer program that has come alive and kaineâ€™s master plan is to populate the earth entirely with human bodies harbouring tangent minds unless michael can stop him from the new york times bestselling author of the maze runner series comes the rule of thoughts the exciting sequel to the eye of minds fans of the divergent series by veronica roth and the hunger games will love the new mortality doctrine series
