a dramatic countdown of the final months of world war ii in europe the last 100 days brings to life the waning power and the ultimate submission of the third reich to reconstruct the tumultuous hundred days between yalta and the fall of berlin john tolant traveled more than 100 000 miles in twenty one countries and interviewed more than six hundred people from hitler s personal chauffeur to generals von manteuffel wenck and heinrici from underground leaders to diplomats from top allied field commanders to brave young gis tolant adeptly weaves together these interviews using research from thousands of primary sources when it was first published the last 100 days made history revealing after action reports staff journals and top secret messages and personal documents previously unavailable to historians since that time it has come to be regarded as one of the greatest historical narratives of the twentieth century

focusing on practice more than theory this collection offers new perspectives for studying the so called humoral medical traditions as they have flourished around the globe during the last 2 000 years exploring notions of balance in medical cultures across eurasia africa and the americas from antiquity to the present the volume revisits harmony and holism as main characteristics of those traditions it foregrounds a dynamic notion of balance and asks how balance is defined or conceptualized by whom for whom and in what circumstances balance need not connoteegalitarianism or equilibrium rather it alludes to morals of self care exercised in place of excessiveness and indulgences after long periods of a life in dearth as the moral becomes visceral the question arises what constitutes the visceral in a body that is in constant flux and flow how far and in what ways are there fundamental properties or constituents in those bodies

a valuable and long overdue biography of one of america s greatest soldiers parameters the story of gen carl tooey spaatz s life is more than a biography of one of america s great military leaders it is a history of the development of airpower and a fascinating inside look at the long difficult struggle to win autonomy for the u s air force spaatz earned his wings in 1918 when flying was a new and dangerous occupation aviation school mortality rates were 18 percent after gaining experience as a fighter pilot during the great war he became one of the air corps top pursuit commanders during the 1920s during the 1930s he moved over to bombers just as modern long range aircraft were coming into service as a senior bomber commander spaatz significantly influenced the emerging strategic bomber doctrine by the time of the outbreak of the second world war spaatz was one of america s most experienced aviators he was at the helm of the evolution of the new american military strategic airpower doctrine which proved to be a decisive factor in world war ii after the allied victory planning and launching an independent air force would occupy spaatz for the remainder of his career today s air force bears his indelible stamp tooey spaatz was a low profile leader who was known for his open mind and

pragmatic approach and who was influential in a quiet forceful way possessed of absolute integrity even when his beliefs were unpopular he pressed them at the risk of his career

the world we live in is pervaded with uncertainty and imprecision is it likely to rain this afternoon should i take an umbrella with me will i be able to find parking near the campus should i go by bus such simple questions are a common occurrence in our daily lives less simple examples what is the probability that the price of oil will rise sharply in the near future should i buy chevron stock what are the chances that a bailout of gm ford and chrysler will not succeed what will be the consequences note that the examples in question involve both uncertainty and imprecision in the real world this is the norm rather than exception there is a deep seated tradition in science of employing probability theory and only probability theory to deal with uncertainty and imprecision the monopoly of probability theory came to an end when fuzzy logic made its debut however this is by no means a widely accepted view the belief persists especially within the probability community that probability theory is all that is needed to deal with uncertainty to quote a prominent bayesian professor dennis lindley the only satisfactory description of uncertainty is probability

the population of the world is ageing and the prospect of increasing care costs is generating new ideas and approaches to healthcare for the elderly this growing burden of care coupled with the rapid increase of digital literacy and an appetite for the use of digital resources among older citizens has also encouraged a diversification of remote healthcare options and has prompted the care sector to diversify its offer and investigate strategic alignments in research and development this book presents a selection of papers from the 5th global telehealth conference held in adelaide australia in november 2017 in recognition of the diversity of this area of healthcare this series of international meetings which began in 2010 has focused on different topics in telehealth the main aim of the 2017 meeting was to share knowledge of complementary research endeavors in telehealth as related to later life care and to foster interaction between the different groups undertaking research in this emerging topic area the 11 papers included here cover a diverse variety of topics including telehealth in the elderly with chronic heart failure wearable information technology and self management telerehabilitation exercise in residential care the smarter safer homes platform and prediction of freezing of gait in patients with parkinson s disease the book will be of interest to all whose work involves the development or delivery of healthcare for older patients

this document records the oral and written testimony of persons testifying at congressional hearings about proposed amendments to change and improve the job training partnership act jtpa of 1982 witnesses testifying and or presenting written testimony at the

hearings included several representatives the secretary of labor lynn martin and representatives of local jtpa programs private industry councils literacy programs unions and public agencies in the new jersey and pennsylvania areas witnesses said that there is concern about lack of oversight and fraud in the program but that audits have found the actual incidence of fraud to be very small witnesses also stressed that the program has been successful and that more complicated government regulations could do more harm than good changes were suggested to allow the program to serve more than the cream of the eligible population and additional funding was proposed to expand jtpa services to more than the 5 percent that are presently being served more stringent and specific performance standards were also advocated kc

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873
