the history of new texas the texas we know today oil rich insufferably loud and unbearably proud of itself begins in the late 1920s when a horned frog wakes from its thirty one year nap in a courthouse cornerstone and flabbergasts the nation in slightly over two decades ten individuals their words actions and accomplishments come to define the new texas of the twenty first century while the history of old texas rests on oft told legends of houston austin travis crockett rusk lamar and seguin today s new texas proud loud self promotional sports crazy and too rich for its own good is the texas that percolates throughout the nation s popular culture in texas loud proud and brash how ten mavericks created the twentieth century lone star state author rusty williams profiles ten largely unsung men and women responsible for the texas you love hate and secretly envy today

poeternitry is a comet s ride through the human mind to the spiritual world beyond you ll be taken on a journey through love and darkness to the shores of faith and fantasy this collection of poems by karen davies shows her ability to write across a wide range of subjects from the gates of heaven to the darkest parts of the human mind her ability to write multiple forms such as the simple and thought provoking haiku to the rhythmic flow of the shakespearean sonnet she ll take you on a muse s journey through imagination to all that is eternal

it has become something of a cliché within the field of narratology to assert the commercial aesthetic and sociocultural relevance of narrative representations but the

fact remains that narratives are everywhere whenever we read a novel or a comic watch a film or an episode of our favorite television series or play the latest video game we are likely to engage with narrative media similarly the intermedial adaptations and transmedial entertainment franchises that have become increasingly visible during the past few decades are at their core narrative forms since a significant part of contemporary media culture is defined by the narratives we tell each other via various media the media studies discipline needs a genuinely transmedial narratology transmedial narratology and contemporary media culture focuses on the intersubjective construction of storyworlds as well as on prototypical forms of narratorial and subjective representation it provides not only a method for the analysis of salient transmedial strategies of narrative representation in contemporary films comics and video games but also a theoretical frame within which medium specific approaches from literary and film narratology from comics studies and game studies and from various other strands of media and cultural studies may be employed to further our understanding of narratives across media jan noël thon is a research associate in the department of media studies at the university of tübingen germany he is the coeditor of a number of books on narrative and media studies including from comic strips to graphic novels contributions to the theory and history of graphic narrative and storyworlds across media toward a media conscious narratology nebraska 2014

this first study on woodrow wilson as the commander in chief during the great war analyzes his management style before the war his diplomacy and his battle with the senate it considers the war as representing the collapse of western traditional virtues and examines wilson s attempt to restore them emphasizing the american war effort on the domestic front it also discusses wilson s rise to power his education career and work as governor as necessary steps in his formation the authors deal honestly and critically with the racism that characterized this brilliant but limited career

in late 1936 as franco s armies stormed toward madrid stalin famously termed the defence of spain the common cause of all advanced and progressive mankind as a german emigrant to winnipeg hans ibing recognized the importance of the spanish civil war to the struggle against worldwide fascism in a way that most people in canada did not joining the international brigades in their fight to defend the spanish republic was his chance to fight hitler drawing on interviews ibing s personal papers and archival material david goutor recounts the powerful story of an ordinary man s response to extraordinary times
